Studio One Arizona Dance Company employs a progressive system of learning technique. Students will be placed in the correct level according to their individual ability, muscle development, and maturity. Our levels are based on muscular development, flexibility, motor skills, focus, maturity and technical strength.

Placement: Studio One encourages you to register for classes based on the age and experience of the dancer. During the first four classes, the instructor will evaluate each dancer to make sure the class is appropriate in age, level, and maturity of the dancer. Studio One Faculty reserved the right to place the dancer in the appropriate higher or lower class. Certain classes labeled (COMPANY) are for our company dancers only. They are not open for registration.

Payment Information and Policy Changes

- Tuition can be paid via check, credit, or cash by the 1st of every month. A late fee of \$25.00 will be charged to tuition paid after the 10th of each month. Even if Studio One is closed for holiday a late fee will be charged after the 10th.

- If a child misses dance they may make up their class within two weeks of the missed class. No refunds or credits are given for missed classes. Studio One's tuition is based on a 10 calendar (August – May). Some months have 3 weeks, and others have 5 weeks. With the exception of the month of July, which is pro-rated, tuition does not change for months in which Studio One is closed for holidays (winter break, spring break).

- 10% discount is given to additional family members who register. Bounced checks will result in a \$25.00 return check fee.
