About us

Studio One Arizona Dance Company has proudly served the Tucson community for 20 years. Since opening our doors in 2005, we have served over 2,400 students and their families. We have been dedicated to fostering a community rooted in inclusion, friendship, and perseverance through the education of dance. Our goal has always been and continues to be to inspire our students, faculty, and community to be passionate leaders in the community, no matter where their journeys take them.

To thank the Tucson community and everyone who has been part of the Studio One family over the past two decades, we have partnered to fundraise for American Dance Leadership through our Legacy Showcase and Gala. Join us for a celebration that reflects on the past, connects to the present, and looks ahead to the future.

“The greatest legacy anyone can leave behind is to positively impact the lives of others.”

20
YEARS

Partnering with American Dance Leadership

American Dance Leadership (ADL) is a 501 (c)(3) dedicated to promoting the growth of the dance community and develop new leadership practices in dance education by providing a platform for dancers and choreographers to network, learn, and share ideas.

ADL strives to build a network that fosters collaboration, mentorship, and leadership among dancers and choreographers alike. By providing platforms for networking, learning, and sharing ideas, they aim to cultivate a new generation of dance leaders who are inspired to shape the future of our dance community.

American Dance Leadership 2025 Leadership Conference Jury

American Dance Leadership hosts domestic dance conference and competition for dancers between the ages of 12 - 18 years of age. The conference focuses on providing the highest caliber of technical dance training and leadership education.

Studio One Arizona Dance Company and ADL share the same values. Your contribution will support ADL through direct program support in these areas: leadership and service. Help us support the next generation of Arizona's leaders in the fine arts.

SUPPORT LEADERSHIP AND COMMUNITY

American Dance Leadership held its first Leadership Conference on November 7-9, 2025 at the Proscenium Theatre, Pima Community College West, Tucson, Arizona where 31 young ambassadors attended dance masterclasses and leadership lectures. ADL's jury included dance education from Travis Bertell, Brandon Coleman, Naomi Funaki, and Maya Taylor. Leadership lectures were taught by Cleartalent Agent Kaila Cassling and Professor Joseph Berriman J.D. from the University of Arizona. Two scholarships for the 2026 conferences were given to Javin Lopez (Flowing Wells High School), and Mila Capazzi (Empire High School). A \$1,000 College Scholarship was also awarded to Evelyn Nagle (Tanque Verde High School).

"To dance is to be out
of yourself. Larger,
more beautiful, more
powerful."
